

Falls Reserve CA opens

For many vacationers, the ideal summer includes camping, fishing, hiking and swimming. Set along the scenic Maitland River, in Benmiller and just minutes from Goderich, Falls Reserve Conservation Area offers a combination of family camping in a beautiful natural setting. The conservation area opens on April 17.

The park's 230 acres are nearly enclosed by the winding Maitland River. The wide shallow Maitland cascades over a series of low waterfalls as it flows past the park. A few minutes from the campsites, the forests of the park offer the kind of solitude that few places in Southern Ontario can match. Many visitors enjoy the salmon, trout and bass fishing and hiking the

Maitland Trail along the river and the forests of the park.

The park has 185 campsites. These include fully serviced, underserviced and seasonal sites.

The proximity of the park to Goderich shopping and restaurants, the Blyth Festival Theatre and the Benmiller Inn make it particularly attractive to those travelling from a distance," said Geoff King, superintendent of the park.

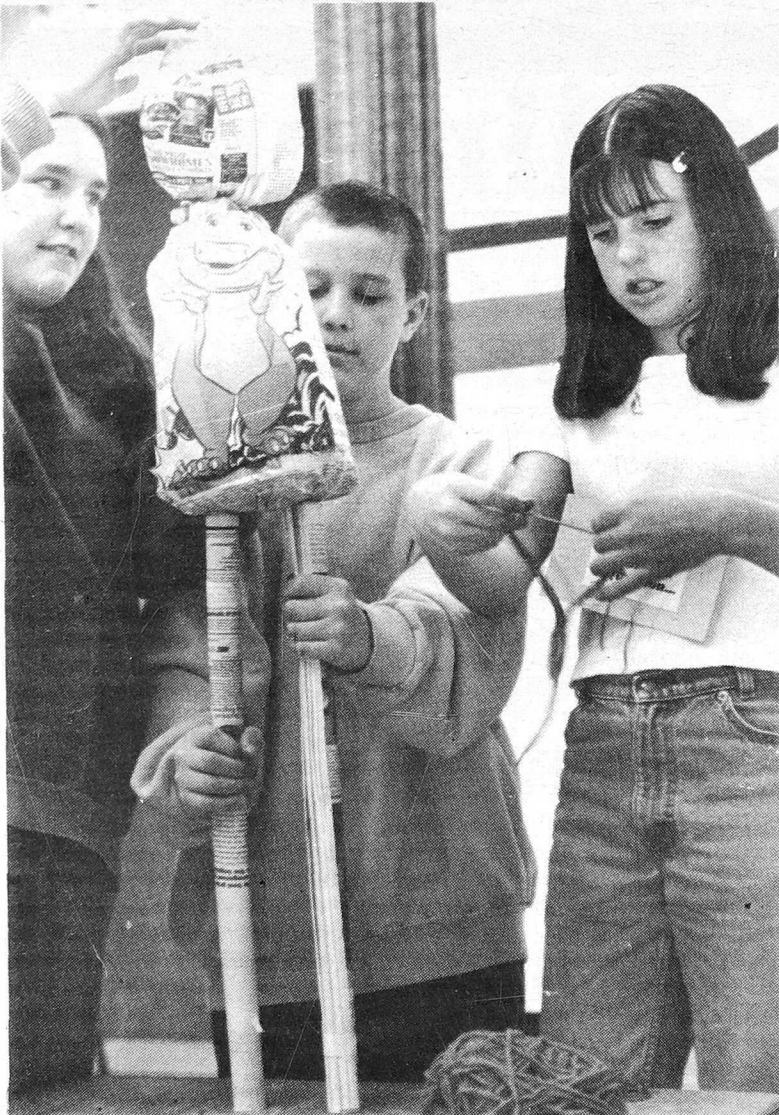

For a reasonable fee the pavilion and other picnic areas can be reserved for gatherings. The large open spaces are ideal for volleyball, baseball, soccer or kicking a football. With a day use pass, many local people visit the park for a day of swimming, playing games, or just for a picnic with friends or

relatives.

The large, covered pavilion allows planned events to continue even if the weather conditions are not ideal.

Local and out-of-county visitors enjoy the summer special events. The fishing derby on July 4 is part of the family fishing weekend. The annual Car and Craft show on Aug. 1 and 2 and Fiddling at the Falls on Aug. 8 are expected to attract many visitors.

The Falls Reserve Conservation Area is owned by the Maitland Valley Conservation Authority. It is located in Benmiller at the junction of county roads 1 and 31. For more information or to make a camping reservation, call the FRCA at (519) 524-6429.

Creators

Brussels PS students were busy last week doing mathematics activities in the gym. From left: Kendall Jutzi, Tate Stephenson and Crystal McLellan try to get it all into perspective, while creating, with newspapers, a person.

Groups offer B&B seminar

The beds are made, the sign is hung out, but no one is calling.

If you have just opened a bed and breakfast or have been in business for some time and are looking for ways to boost numbers, the Hensall Economic Development and Explore Ontario's West Coast committees may have the answer.

The course, *Bringing the World to Your B&B*, has been designed to help owners develop a comprehensive marketing plan.

The two-day session, held at W.G. Thompson's and Son's, April 20 and May 4, will cover topics such as where to start telling the

world about your B&B, there's you and your clients, don't miss opportunities, appealing to the clients' tastes and catching their eye, brochure and internet savvy and dollars that make sense.

Rosemary Peer of Rosecliff B&B, Wiarton will lead the semi-

nars.

The course runs for three hours each evening, beginning at 7 p.m. The cost is \$40 per person.

Anyone interested should call the Hensall Municipal office, 262-2812, as soon as possible to register as space is limited to 20.

OPP report auto theft

On Saturday, April 6, the owner reported the theft of a 1988 Plymouth Reliant, red, two door.

The vehicle, bearing Ontario

marker 296 CBE, was stolen from the driveway of a private residence at 36 Clyde St., Bluevale sometime during the early morning hours.
